60kWh/200kWh outdoor integrated cabinet for industrial and commercial storage. Suitable for various industrial and commercial application scenarios such as industrial parks and commercial complexes, Which can be ...

Founded in 2002, Huijue Group is a high-tech service provider integrating the integration and application of intelligent network equipment and intelligent energy storage equipment.

A telecom battery backup system is a comprehensive portfolio of energy storage batteries used as backup power for base stations to ensure a reliable and stable power supply.

Highjoule"s Site Battery Storage Cabinet ensures uninterrupted power for base stations with high-efficiency, compact, and scalable energy storage. Ideal for telecom, off-grid, and emergency backup solutions.

As a modular cabinet energy storage system, it can be customized to meet specific energy demands, whether for factories, commercial buildings, telecom base stations, or renewable energy projects.

High-capacity 215kWh solar ESS cabinet with 75kW inverter. IP55 rated, fire-protected, VPP-ready, ideal for microgrids, C& I, and off-grid storage.

The Photovoltaic Micro-Station Energy Cabinet is a hybrid power compact solution for remote energy and outdoor telecom sites.

The Base Station Energy Cabinet is a fully enclosed, weather-resistant telecom energy cabinet designed to provide reliable power distribution and battery backup for outdoor communication networks.

Featuring lithium-ion batteries, integrated thermal management, and smart BMS technology, these cabinets are perfect for grid-tied, off-grid, and microgrid applications. Explore reliable, and IEC-compliant energy
