Does Abkhazia have electricity?

"Currently, there is no electricity throughout the entire territory of the republic." Abkhazian authorities said Russia suspended its financial aid to the cash-strapped region on Dec. 5, including crucial funding for the energy sector.

Is Abkhazia preparing for a state of emergency?

Abkhazia's acting Prime Minister Valery Bganba previously admitted the possibility of introducing a state of emergency in its energy sector, while acting President Badra Gunba said there were "very serious difficulties in ensuring the country's energy security."

Why did Abkhazia buy electricity from Russia?

Abkhazia had been purchasing electricity from Russia since Nov. 1 due to an energy deficit caused by low water levels at the Enguri dam, which supplies the region's largest hydroelectric facility.

Why did Georgia leave Abkhazia without electricity?

Dmitry Feoktistov /TASS Georgia's breakaway region of Abkhazia was left without electricity Wednesday as critically low water levels triggered an emergency shutdown at its hydropower station and Russia allegedly withheld millions in financial aid.
