When will Hainan become a free trade port?

According to the master plan, a trade port system focusing on free and convenient flow of trade and investment will be 'basically established' in Hainan by 2025, and become 'more mature' in the following decade, and by 2025, Hainan shall develop into a high-level free trade port with strong global influence in all respects.

What is Hainan's free flow & efficient control?

Free flow through the first line (to Hainan Island) & efficient control at the second line (to mainland market). For the encouraged industries, products processed in Hainan with an added value of over 30% is entitled to exemption from duties when entering mainland market.

How will Hainan Island be regulated before 2025?

Before Year 2025, full implementation of Zero-Tariffson the entire Hainan Island, which will be applied to import duties, import VAT and consumption tax. Free flow through the first line (to Hainan Island) & efficient control at the second line (to mainland market).

Is Hainan a key opening door to the world?

Chinese government on 1st June released master plan for the Hainan Free Trade Port, aiming at transforming the southern island province into a flagship of China's Opening-up and a key opening door to the world. The master plan will benchmark Hainan with some of the world's high-level free trade ports, for examples, Hong Kong, Singapore and Dubai.
