What is a Husqvarna account?

A Husqvarna account serves as a gateway to various digital solutions offered by Husqvarna. A Husqvarna account is used for accessing several services: Automower® Connect: For managing your robotic lawn mower. Husqvarna Connect: Provides connectivity features for Husqvarna products. Husqvarna Fleet Services(TM): Used for fleet management.

With my.husqvarna-motorcycles you can interact digitally with your motorcycle by adding it to your garage, using features such as the service history, warranty expiration and much more!
