For the latest updates and more information, visit our website: <https://www.sesona.co.za>

We specialize in large-scale energy storage systems, mobile power stations, distributed generation, microgrids, containerized energy storage, photovoltaic projects, photovoltaic products, solar industry ...

You simply add another unit. This makes the solar battery container an ideal choice for businesses that anticipate growth but don't want to over-invest in infrastructure on ...

Explosion-proof solar power systems for oil, gas and chemical industries SOLAREX modules are an IECEx certified products with up to 360W power and can be used in hazardous areas of class 1

Battery Energy Storage Systems (BESS) and Uninterruptible Power Supply (UPS) systems serve distinct purposes in meeting modern energy needs. BESS excels in large-scale, long-term ...

Over 535,000 watt peak solar power supplied to offshore assets, represented by 5,000 explosion proof solar panels. A complete solution when it comes to power supply of remote locations. Designed as ...

We have deployed Solar Power Container units at three of our mines and the results have been outstanding. The ease of transportation and short installation time saved us weeks of downtime.

We offer two types of solar containers that differ in design and power output. Besides our flagship, auto-foldable container, we also offer the manual version of this unit.

Explosion proof Zone 1 & 2 Uninterruptible Power Supply supplies a reliable and stable supply voltage to critical control & instrumentation systems in Zone 1 & 2 hazardous areas and supporting equipment ...

STAHL, with its more than 80 years of experience in explosion protection, is able to transfer the requirements

Warsaw mining solar container explosion-proof uninterruptible power supply

of a modern UPS system into systems, which are suitable for use in explosion ...

Smallest on the market, Chloride's XP90R is an industrial rectifier / battery charger explosion proof Zone 1 & 2 .
