Does Niue have a power outlet?

Niue's electrical current is 230 V AC 50 Hz, with power outlets being Type I (i). That's the same outlet that New Zealand, Australia and China, so if you are from one of those countries, you are good to go!

What is the plug type in Niue?

In Niue, the power plugs and sockets are Type I. It has three flat pins: two angled ones and one straight one. Note that some appliances don't have that straight bottom pin but they are still compatible with Niue's electrical outlets.

Do I need a USB outlet in Niue?

While USB outlets are becoming more and more available across the world, you will rarely find them in Niue, so they should not be relied on for power. Some travel adapters, like this OREI Travel Adapter, have two USB inputs on them and are recommended if most of your appliances require a USB input.

What is Niue Power Corporation (NPC) funding?

This represents the culmination of years of work from Niue Power Corporation (NPC) staff, local and overseas contractors, and our development partners. Australia and New Zealand funding assistance in particular has been instrumental in the procurement of new generators, transformers, switchboard and construction of a new building to house these.

What plug sockets are in Niue? Find out in this guide to the Niue electrical outlets and power plugs, including voltage, adapters and more.
